DREAMBOARDS

What are they?

A dream board or vision board is a collage of images, pictures, and affirmations of one's dreams and desires, designed to serve as a source of inspiration and motivation, and to use the law of attraction to attain goals.

HAVE YOU EVER...

DRAWN A PICTURE

MADE A LIST

SAVED A PHOTO

...THAT DEPICTED THE LIFE YOU WANT TO CREATE?

**WHEN YOU FEEL
FREE FROM
RESTRICTIONS...**

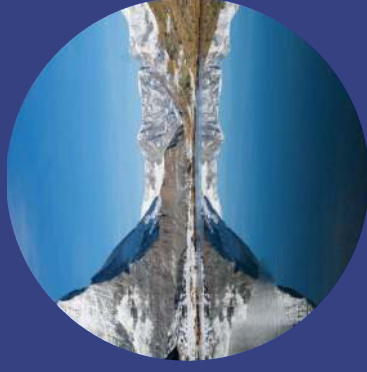

**WHAT TYPE OF LIFE DO YOU DREAM
OF FOR YOURSELF AND THE ONES
YOU LOVE?**

The left side...

The left side of your brain promotes rational thought and warns you against risk taking.

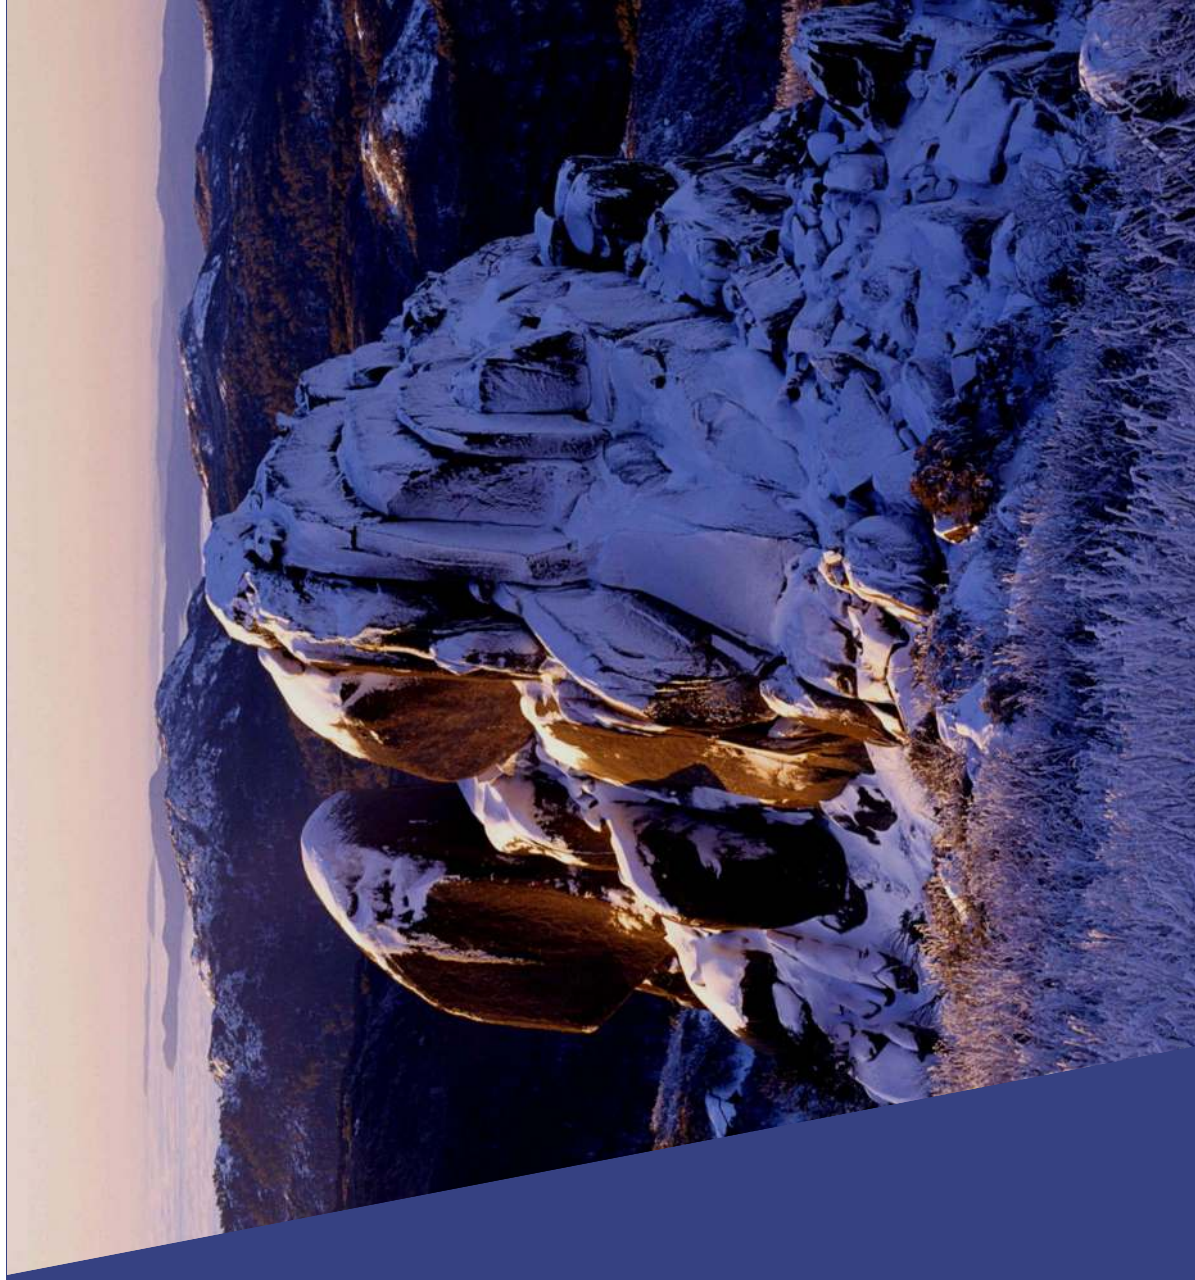

The right side...

The right side of your brain promotes imagination, creativity, and exploration.

**WE MUST TRAIN
OUR LEFT BRAIN TO
SEE THE VISION OF
OUR RIGHT BRAIN.**

**YOU MUST
ENVISION
WHERE YOU
WANT TO BE**

"It is not because things are difficult that
we do not dare; it is because we do not
dare that they are difficult."

-Seneca

"No amount of skillful invention can
replace the essential element of
imagination."

-Edward Hopper

"For me, a painting is like a story which stimulates the imagination and draws the mind into a place filled with expectation, excitement, wonder and pleasure."

-J.P. Hughston (painter)

"Adventures don't begin until you
get into the forest."

-Mickey Hart (drummer)

So now I want
to ask you...

If you had no
restrictions,
where would
you go?

If you had all
the time and
money in the
world, what
would you do
with it?

What makes
you truly,
deeply happy?

"Why should we all use our creative power...? Because there is nothing that makes people so generous, joyful, lively, bold, and compassionate, so indifferent to fighting and the accumulation of objects and money."

-Brenda Ueland
